

urine OFF[®]

MULTI-PURPOSE

Urine Off Multi-Purpose Formula works on all surfaces by using specialized enzymes and bacteria to break down the components of urine and other body discharges that cause odour and stains, as well as their proteins which host growth of undesirable microorganisms. Easy to use, and effectively removes urine and its proteins as well as other soils. Carpet Spotter: Urine Off Multi-Purpose is an excellent carpet and upholstery spot cleaner that will remove most organic stains and odours from virtually all carpet and upholstery fibers.

The Urine Off Mini LED Urine Finder is the ideal tool to locate hard-to-find urine deposits. Most urine deposits are invisible to the naked eye. Unless you can find and remediate the urine, the smell will be a continuing problem. This revolutionary ultraviolet LED light is ultra-bright and was custom engineered to easily fluoresce uric acid. The Urine Finder will save you time, money, and empower your own USI (urine scene investigation) capability!
