

Wine OFF Coffee OFF

TWO GREAT PRODUCTS — THREE EYE-CATCHING DISPLAYS!

Red wine spilled on carpet or upholstery... Coffee drips on a white tablecloth...

This type of stain has long been considered difficult (if not impossible!) to remove. Now, Bio-Pro Research is proud to offer the solution to these cleaning dilemmas: Wine OFF and Coffee OFF!

With our specially developed formulas of friendly bacteria and enzymes, Wine OFF and Coffee OFF actually “eat” the stains, leaving your clothing, table linens and carpeting stain-free. Wine OFF and Coffee OFF are also effective on many food residues and other organic stains.

Made with nature-based, non-toxic ingredients, Wine OFF and Coffee OFF are safe to use around people and pets. The biodegradable ingredients are environmentally friendly as well.
